

Honoring Our Names and His Legacy

Knights celebrate Columbus Day, knowing that our namesake gave voice to generations of Catholics, and helped pave a path for our diverse society.

By (KofC) Corporate Communications Staff - 10/11/2019

When founding the Knights of Columbus, Father Michael McGivney picked Christopher Columbus as a namesake for the organization because in a time when anti-Catholic and anti-immigrant feeling ran rampant, the American public embraced this famous explorer.

Father McGivney and his Knights understood that using Columbus as their Order's namesake asserted an important truth: that not only was there a place for Catholics and immigrants within American society, but that such a person had already played a part in creating the young, free world around them.

Times have changed and today there are those who contest Columbus' achievements and protest the national holiday held in his honor. They look to make Columbus responsible for all the atrocities against Native Americans.

In an article that appeared in RealClear Politics two years ago and also in recent testimony in New Haven, Conn., Patrick Mason (a member of the Knights of Columbus Board of Directors and also of the Osage Nation), said there is a danger that blaming Columbus misses the lessons of history and adds to the risk of repeating it.

The Anchor

"As American citizens, we need to remember our history, both the good and the bad, so that we are not set up to repeat history's mistakes," Mason said. "We need to take an honest look at all our fore-fathers. We need to give them the credit they deserve for what they did well, while being mindful of the things that they should have been done differently or better."

He added that the current debate brings with it the opportunity honor and acknowledge indigenous people while preserving the great explorer's legacy.

The Knights of Columbus continue to celebrate Columbus Day, knowing that the explorer gave voice and representation to generations of Catholics, and helped pave a path for the diverse society we have today.

Spotlight on District VI Councils!

MSGR. PETER BLESSING COUNCIL #5273

September was a very busy month for Msgr. Peter Blessing council. In addition to the Funny 4 Funds comedy night Fundraiser that they held early in the month, they also held their Soccer

Challenge in Coventry on September 14th. [UPDATE: Their 13 yr. Boys Champion Logan Moore, also won that category at the State Championship.].

On September 24th, the brothers also held their monthly "Knight Out" event at Braza Brazilian BBQ in Coventry as well. It seems that aside from the great food, Braza is a proud sponsor of some of the

council's activities, and they wanted to support this great eatery in kind. Great job brothers!

SS JOHN AND JAMES COUNCIL #7238

In addition to hosting a Silver Rose Ceremony on September 20th, SS John and James Council conducted their Soccer Challenge on September 28th. This year it was occurred at the West Warwick HS.

Special mention to former coach, and council officer, Dan Sylvester, DGK John Wetherbee, and James Hart, for making it all happen.

It should also be mentioned that this council also holds a Holy Hour every week on Monday, 7:00 pm, at St. Mary's church.

Started originally as a Faith in Action program, pastor Fr. Nicholas Fleming has incorporated it as regular weekly parish activity. This is our hope as knights; to find programs that mesh well with our parishes, and advance our Catholicity. Kudos!

FR. DONNELLY COUNCIL #322

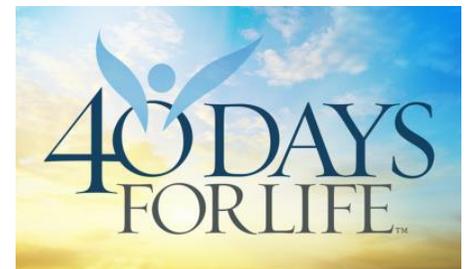

On Sunday, September 9th, Fr. Donnelly Council held a Silver Rose ceremony at St. Mark's Church. The event was well attended. Like most of the councils in District 6, this has become a regular annual event, and reflects the hearts of our brother knights, in their support of the unborn.

District Meetings Highlight the priorities of the Knights of Columbus in RI!

Two District meetings were held in September that highlighted the priorities of our order in RI. On September 5th, a Joint District Meeting was held at Warwick Council with several districts in attendance, including our own District 6.

Many subjects were covered, including Faith in Action, Safe Environment training, degrees, council growth, and Delta Church Drives.

The meeting/training was led by State Program Director Jeff Gaulin, and State Membership Director PJ Shea. Representatives from four District 6 councils showed up to attend.

As a follow-up and reinforcement to this, a special District 6 meeting was held at SS John and James Council on October 2nd.

This special District 6 meeting consisted of a focused program overview of the new Delta Church Drive.

We discussed the core aspects of this re-vamped approach to recruitment in great detail. Council Growth and involvement is the biggest problem we face with our councils.

Growth isn't optional, it is necessary! Between the average age of our membership, and the faltering retention of disinterested brothers, if we are not growing, we are jeopardizing the future viability of our councils.

This program overview was well attended. Members of all but one of our councils participated. We were also joined by State Deputy Mike Dziok, and PSD Steve Ciolfi.

Be prepared for the District mid-year meeting that is tentatively scheduled for, Feb. 12th. We will be covering all relevant issues and agenda items as we look toward finalizing our program plans for the 2019-20 Columbian year.
